The Performance Fund Account is approved for duration of one year and then evaluated by the Board and members. If the program is to be continued it must be voted upon for renewal each calendar year by membership. The program shall run concurrent with the Association Fiscal year from January through December.

Funds allocated shall have a limit of \$10,000 for which members must make application. Application forms will be made available through the Musicians Association (MA) office. Any funds left over from the \$10,000 at the end of the year shall be added to the next year's funds.

The funds for this program shall be made available through a portion of the savings the Association currently has available.

Performance Guidelines:

Only Musician Association Members may apply and shall be eligible to receive funds. A funding request form is obtained by contacting the MA Office. For members to participate in the Performance Fund, the facility must provide a minimum "participation fee" of \$50 toward each performance.

The Performance Funds will be paid directly to individual members or submitted to the leader upon his/her request. It will be the leader's duty and responsibility to disburse and share the funds equally and in a timely manner. Members shall be eligible for payment from the fund no more than twice a month.
