## Music Performance Fund

The Music Performance Fund was established in 2009. Our Association, seeing a need for live entertainment at care centers, established the fund in cooperation with the facilities.

The Association provides funds annually to this program so that members who perform are paid a stipend. Through this program a stipend is also provided by each facility. This programs sponsors approximately 100 live performances each year for residents of care facilities in a our area.

## MEMBERSHIP

We welcome everyone to become a member of the Musicians Association to help support the activities and the events of the Association. We are proud of our accomplishments and achievements in the community and by being a member you too can help support our mission and the events .

Applications to become a member can be found on-line at [www.musiciansassociation.org](http://www.musiciansassociation.org) The applications my be printed, completed and submitted to the Musicians Association.

## About Us

The Musicians Association was created in 1991 and is a 501 (c) (3) non profit organization.

Our first task as an organization was to raise \$60,000 to construct the Mandan Band Shell along with a flag display and a flower garden. Our status as a non-profit allowed us to apply for federal grant dollars to continue to support the Summer Concerts in the park.

The Summer Concert series began in 1994. Each year we receive approximately 25% of our budget for the summer concert Series from the N D Council on the Arts along with grant funding from the City of Mandan and support from local businesses.

**Our mission statement:** “to provide leadership to create, promote and fund activities in the community that foster live musical entertainment and to enhance the interests of musicians that champion programs that support live Music for life”.

## Mandan Band Shell Concert Series

Since 1994 the Musicians Association has planned, funded and presented more than forty summer concerts per year at the Vern Cermak Band Shell at Dykshoorn Park in Mandan. The Concerts are held each evening from 7:30 to 8:30 and feature instrumental and vocal groups.

Our Association is appreciative of the support from the N D Council on the Arts for their continued support of the summer series.

We would also like to express our thanks to the many business sponsors and to those who offer private donations.

The Summer Concert series would not be possible without the talent and contributions of the local and area musicians .

## “Kaleidoscope”

In 2022 Kaleidoscope celebrated its 25th year!

This event features “Local Live” talent including: a 17 piece pit band, a choir, and chorus line which presents a two hour patriotic, musical, and comedy variety show.

It is held the last Wednesday and Thursday in June to “kick-off” the July 4th Celebration in Mandan.

Kaleidoscope is a production of 80 plus individuals from the Musicians Association and volunteers from the community.

(The Kaleidoscope Chorus Dance Team is one of the favorites at the annual event.)
